ARTICLE II - RECOGNITION

The Board hereby recognizes the Janesville Education Association, an affiliate of the Iowa State Education Association and the National Education Association, as the certified exclusive and sole bargaining representative of all personnel as set forth in the PERB certification instrument (Case 190) issued by the PERB on the 5th day of September 1975, whether under contract either verbal or written, on leave, or on a per diem, hourly, or class rate basis, employed or to be employed by the Board of Education of the Janesville School District. Such representation shall cover all personnel assigned to newly created professional positions unless the parties agree in advance that such positions are principally supervisory or administrative.

The unit described in the above certification is as follows:

INCLUDED: All full-time and part-time professional personnel, including classroom teachers, librarians and guidance counselor.

EXCLUDED: Superintendent, principals, athletic director and all non-professional personnel, specifically teacher aides, teacher associates, substitute teachers and all other employees excluded by Section 4 of the Act.

ARTICLE III - EMPLOYEE'S HOURS

A. WORKDAY

It is agreed by and between the Association and the Board that the workday shall commence at 8:00 A.M. and end at 3:45 P.M., subject, however, to additional time necessary to perform extra-curricular activities and extra duty assignments as hereinafter provided. Further, employees shall be permitted to leave on Fridays, and days immediately prior to the commencement of vacation or holiday periods after the school buses have departed on their routes. In addition, and for just cause, including employee dental and/or medical appointments, the Administration may permit an employee to report later, or leave the building during free time, or leave earlier than that time set forth above.

In a given year, by mutual agreement between a teacher and administrator, a teacher may be assigned for a workday that begins and ends earlier than the stated workday. Unscheduled time prior to the regular workday will be added to the unscheduled time at the end of the day. All full-time flex employees shall be required to attend all required faculty meetings.

B. INCLEMENT WEATHER

Employees shall not be required to report more than one-half hour before or remain after student attendance is required on occasions of amended student attendance hours because of inclement weather. Employees shall not be required to report when student attendance is canceled because of inclement weather.

C. FACULTY MEETINGS

Employees may be required to attend no more than four (4) faculty meetings per month extending one-half hour prior to or one-half hour after the workday. Such meeting shall have a one (1) week notice to affected employees. Part-time employees shall not be required to attend meetings that are not consecutive with their workday. It is the part-time employee's responsibility to be updated on information if they do not attend faculty meetings.

D. PART-TIME EMPLOYEES

Hours used for calculating full- and part-time employees shall include total on-duty time (including before and/or after student work day time and lunch if they are during the period of employee responsibility).

ARTICLE IV - COMPENSATION

It is understood and agreed that the following shall govern and control the relationship between the parties hereto, and the employees covered by this Agreement with respect to the payment of compensation for services performed:

A. AMOUNT OF COMPENSATION

An initial employee of the Janesville School District shall be entitled to credit for previous teaching experience outside the Janesville School District in an accredited school system up to a maximum credit of six (6) years for such previous experience. In areas considered to be unique circumstances such as non-continuous previous experience, the Administration or Board may credit less than the six (6) years and no more than eight (8). Discretion may be used in considering the type of non-continuous experience the individual has. The formula for calculating such credit shall be to allow one (1) year of experience for each year of teaching experience outside the District, up to the maximum credit. The employee shall receive compensation as set forth on the salary schedule (Schedule "A"). Such practice will not be grievable.

3. Returning to the District-

a) Continuous Service Returnees-

Any employee returning to active employment, who has maintained a record of "continuous service", as that phrase is clarified in Article I, Section "E" of this Agreement, shall be entitled to compensation at the level of the salary schedule set forth in Schedule "A", which is commensurate with their record of continuous active service.

b) Others-

All other employees returning to the District shall be given credit for experience, as is provided in the preceding paragraph of this Article, with the previous experience in the Janesville School District being evaluated for salary purposes, as teaching experience in an accredited school district, subject to the maximum credit of four (4) years previous experience.

C. ADVANCEMENT ON SALARY SCHEDULE

1. Longevity-

Employees, once positioned on the salary schedule, as contained in Schedule "A", per the provisions of this Article, shall be granted one additional increment or vertical step for each year of service until the maximum for their educational classification and qualification has been reached.

2. Educational Advancement-

Employees on the salary schedule as set forth in Schedule "A", and positioned as per the provisions of this Article, may advance into higher educational lanes as provided for in said schedule. A request must be submitted by the employee seeking lane advancement to the superintendent or superintendent's designee prior to taking the course. Such request will include a detailed description of courses intended to be used for such advancement. All requests will be subject to approval by the superintendent who will determine which college courses shall qualify as credit hours for advancement from one lane to another. In order to advance, an employee must provide satisfactory evidence of such additional education and thereby, the justification for advancement, by the Wednesday proceeding the regular September School Board meeting. No educational advancement shall be allowed during the contract year, but evidence of the accomplishment of the same by the employee may be submitted, at any time, for consideration by the Administration during the immediately subsequent contract year.

D. METHOD OF PAYMENT

1. Pay periods-

Each employee shall be paid in twelve (12) equal installments, which installments shall be due and payable on the 20th of each succeeding month after the commencement of the school year. Employees shall receive the checks at their regular building, on a regular school day, unless the employee has requested that such compensation check to be mailed to a designated address, in which event the check shall be so mailed.

2. Exceptions-

If any employee wishes to be absent from duty, for the above-set forth purposes, she (he) shall submit a written request for administrative approval of such

absence at least five (5) days prior to the first day of the anticipated absence. 1. GRIEVANCE

Conduct of the Board or administration under the terms and provisions of this Article shall be grievable only for violation of the procedures set forth herein and then only for limited procedural grievance.

2. NOTICES

Notices provided for in this Article shall be sufficient if in writing and delivered to the administrative staff (principals or superintendents) at the times provided for herein. When written notice is not practical, however, oral notice to administrative staff shall suffice, until such time as written notice can be delivered, if such written notice is deemed necessary by the administrative staff.

ARTICLE VII - REDUCTION OF STAFF

The following shall govern and control the rights of the parties hereto in the event of reduction of employees.

A. COVERAGE

All employees under this Agreement.

B. EMPLOYEES INVOLVED

1. Attrition-

The Board agrees that in the event R.I.F. notices are given, and resignation or retirement becomes known to district after RIF notices are given., the number of RIF notices given will be rescinded on the basis of one rescission for each resignation or retirement discovered by the district through the last day of the individual contract year in which RIF notices are given. Thereafter, the same principle will apply but be treated as a recall. Such rescission or recall shall be subject to paragraph C - Seniority.

2. Discretionary-

When it is necessary to reduce employees:

- a. Employees shall be laid off in reverse order of seniority , with the least senior employee in the affected employment area listed under Section C. SENIORITY being reduced/laid off first unless no other employee

is licensed to fill his/her position. Extra-duty assignments shall not be considered part of the position for purposes of staff reduction/layoff.

- b. Notice - The superintendent will notify the employee using the timelines and procedures in Chapter 279, Code of Iowa (1993). Such notice shall be in writing and will include the specific reasons for the proposed action. A copy of the notice delivered to the employee shall be forwarded to the Association.

C. SENIORITY

- 1. A teacher's seniority shall be area(s) of licensure.
- 2. Seniority shall be defined as the number of years of continuous service in the district from the date the employee signed his/her individual contract. If two or more employees have the same seniority date, the relative order of seniority shall be determined by drawing lots.

D. DISPLACEMENT PROCEDURE

- 1. In the event that the staff reduction necessary cannot be accomplished by attrition, the least senior employee currently assigned to the area being reduced will be selected for reduction.
- 2. Before proceeding further with statutory and/or contractual procedures to reduce this employee, however, the Board shall determine the least senior employee whose position the employee selected for reduction is licensed to fill, if any. The employee selected for reduction shall displace (i.e. bump) this least senior employee.
- 3. The Board shall repeat the determination and displacement process of paragraph two in regard to each employee so displaced/bumped until the least senior employee possible has been determined (i.e. until no further displacements/bumpings are possible). This "least senior employee" shall be the employee actually reduced.
- 4. The employee must be licensed for at least fifty percent (50 %) of a full time teacher's job before displacement can take place.

E. RECALL

Any employee reduced/laid off wholly or partially in accordance with this Article shall be recalled for a period of one (1) year to any vacancy for which he is licensed in inverse order of layoff. Notice of Recall shall be given by registered or certified mail to the last address furnished to the Board by the employee. A copy of such Notice of Recall concurrently will be furnished to the Association by personal delivery or ordinary mail. If the Board has not received a response from the employee within ten (10) days after the employee's receipt of the Notice of Recall, the employee will be deemed to have refused the position offered. In that event, or in the event that the employee responds with a refusal of the offered position, all recall rights for the employee under this Article shall terminate, so long as the offer of employment is equivalent in percentage of contract to that held at the time of reduction. If an employee accepts the position of lesser percentage of contract than held at the time of reduction, additional recall rights under this Article shall continue.

ARTICLE VIII - TRANSFERS

The following shall govern and control the parties with respect to transfers in assignments within the Janesville School District.

A. PROHIBITED TRANSFERS

No transfer of any employee shall be made, nor shall any employee accept such transfer, outside the area of licensure by the State of Iowa.

B. VOLUNTARY TRANSFERS

The Board hereby agrees to notify the Association and the employees of employment opportunities within the Janesville School District. Such notice shall be sufficient, if in writing, forwarded by regular mail to the Association or its designated representative, and posted in a place reasonably calculated to be observed by the employees. Such notice shall be posted for at least ten (10) days excluding Saturdays and Sunday and holidays to allow an employee

to request a voluntary transfer to said vacancy. Such posting shall contain the specific assignment, any and all prerequisite qualifications, deadline for transfer request, and beginning date of duties

C. VOLUNTARY TRANSFERS

1. Definition-The movement of an employee, initiated by the employee, in order to fill a part-time or full-time assignment, resignation, termination, transfer, or other causes, which partially or entirely remains in existence within the district, or a part-time or full-time new position created by the District.
2. Procedure-An employee application shall be considered by the Board along with the other applicants for the opportunity. In the determination of requests for voluntary transfer, the wishes of the individual employee shall be honored to the extent that the transfer does not conflict with the instructional needs of the school system as determined by the Board. No such request shall be denied arbitrarily, capriciously, or without basis in fact. Notice of the denial of a voluntary transfer request shall be delivered to the employee with a copy to the Association immediately upon the making of the decision and shall include a specific statement of the reasons for the denial.

D. INVOLUNTARY TRANSFERS

1. Definition of and Applicability - The movement of an employee, not initiated by the employee, in order to fill an existing vacancy shall be considered an involuntary transfer.
2. Usage of Voluntary Requests - This Article will only apply when the vacant position cannot be filled pursuant to Article VIII (C) - Voluntary Transfers.
3. Notice - Notice of an involuntary transfer shall be given in writing to the affected employee(s) as soon as practical and in no case later than thirty (30) days prior to the first day of the school year.
4. Procedure - An involuntary transfer shall be based upon the instructional needs of the District. No transfer shall be made arbitrarily, capriciously, or without basis in fact. The employee with the least District seniority, who is certified in the subject/area and/or grade level to which the involuntary transfer is necessary, shall be transferred first (i.e., in reverse order of seniority). If the involuntary transfer is necessary due to staff reduction, eligible employees will utilize their rights in accordance with Article VII - Reduction of Staff and this Article will not apply.
5. Meeting - An involuntary transfer shall be made only after a meeting between the employee involved, an association representative, and the superintendent or designee, at which time the employee shall be given written reason(s) therefore.
6. Priority in Transfer - a list of open positions in the school district shall be made available to all employees being involuntarily transferred. Such employees may request the positions, in order of preference, to which they desire to be transferred.

ARTICLE IX - COMPREHENSIVE EVALUATIONS OF BEGINNING TEACHERS

1. Prior to the beginning of the first year of teaching, the beginning teacher shall be given a copy of the summative evaluation form to be used, the Iowa Teaching Standards and Criteria, descriptors to be used, and timeline of the process, and other expectations of the teacher by the evaluator.
2. The evaluator shall conduct the first formal observations of the beginning teacher by the end of October of the first year. Pre-conference and post-conference forms as included in the "Iowa DE Model Framework for Designing a Local Staff Evaluation System" for Tier I shall be completed by the teacher. The evaluator shall document the classroom observation and the pre-and post-conferences. Both the teacher and evaluator shall receive copies of the forms.
3. Following the first formal observation, the evaluator shall begin to complete the *Comprehensive Evaluation Summative Evaluation Form* by addressing criteria observed (1) during the observation, (2) in written materials developed by the teacher, and (3) in the conferences. The evaluator shall date each entry on the form and shall check off each criterion that is listed on the form when it is addressed. The teacher shall sign the form and both the teacher and the evaluator shall receive copies of the forms.
4. The pre-conference, observation, and post-conference shall occur within ten working days.
5. By the end of November of the first year, the teacher and evaluator shall meet to identify the teacher's current status in meeting the eight Iowa Teaching Standards and to discuss the resources and information that could be used in future activities relating to the comprehensive evaluation. Both the teacher and the evaluator shall receive copies of the plan.
6. Two additional formal observations shall be conducted by May of the first year of teaching using the same procedures identified in steps 2 through 5.

7. Prior to May 15 of the first year of teaching, the evaluator and beginning teacher shall meet and identify in writing which standards shall need to be addressed in the second year. Both the teacher and evaluator shall receive copies.
8. By November 15 of the second year of teaching, the evaluator shall conduct another formal observation as described above. At that time, the evaluator shall record it in the *Comprehensive Evaluation Summative Evaluation Form*. If the beginning teacher meets all eight Iowa Teaching Standards, the evaluator shall indicate so on the form and provide the beginning teacher with a signed copy.
9. If the evaluator determines that the beginning teacher has not met all eight standards, then the evaluator informs the teacher of which standard(s) have not been met and the evaluator and teacher jointly determine what information the evaluator needs in order to indicate the teacher meets all eight standards. If another observation is needed, it shall be held by the end of January of the second year of teacher. If only a conference is needed, then it shall be held by the end of January of the second year of teaching.
10. If by the end of January, the evaluator indicates the beginning teacher does not meet the Iowa Teaching Standards, an additional formal observation shall be held by the end of March. After that observation, the evaluator makes his/her final recommendation for licensure. A recommendation for a third year of mentoring shall be made only after completion of the comprehensive evaluation.
11. All records of the comprehensive evaluation are to be signed by the employee with the employee receiving a copy. The employee may respond in writing to any aspect of the comprehensive evaluation. The comprehensive evaluation and any responses will be preserved by the employer in the employee's evaluation file and its contents are available to the employee upon request.
12. All evaluations must be accurate and fair.
